SELECTBOARD MEETING AGENDA POLICY

Citizens wishing to be on the Selectmen's agenda for Thursday night meetings need to contact the Selectmen's Office and leave a message for the board's Administrative Assistant by 12:00 Noon on Tuesday. Please leave your name and state the business you wish to discuss with the board. By doing so this will allow the Administrative Assistant time to post the item on the meeting notice and warn, so if others may want to talk about the item they will be aware of it on the posted agenda.

The board knowing this may not always be possible due to the nature of the items that come before the board. Please note you may still arrive the night of the meeting with an item and the board will decide if they can add the issue to the agenda for that night or schedule it for another meeting.
